PREMIERE RECEIVE AN INCREMENTAL AWARD FROM ECUARHCL GROUP

Established in 1990 and being part of the Ecu-Line group, HCL became an important player on the international airfreight business.

Since the start, HCL global network has expanded at rapid pace and today comprises a network of agents on six continents.

Under the driven force of the new management team, HCL combines enthusiasm and dedication to ensure a long and prosperous future.

Comprising a solid international network of airfreight agents, HCL prides itself on its reputation for efficient, reliable and above all, personal service.

Commitment to all Agents needs is one of their foremost and also the mission of the Network.

Their flexibility, global expertise and comprehensive range of services give you the edge you need, to respond quickly to the changing demands of the marketplace.

HCL stands for quality, every moment every day.

HCL AGM

Every year during their AGM meeting, there will be an award to be given to the best company that is able to match up with their criteria and this year, 2014, our company, Premiere Logistics has been awarded the HCL / ECUAR award. This is our second time receiving this award.

First, the number of contributions the company had made to the group

Secondly, the efficiency, reliability and services rendered to the group

The incremental award extend that tenet.

With the achievement that we had made thus far, this award will definitely boost up Premiere Group in the freight industry.

ADAPTO: unrivalled flexibility
